Preface

A child is a great wonder. There is no end to the thinking about his/her world of wonder. A child is a subject of contemplation for educationists, scientists, philosophers, child specialists and psychologists. The fundamental principles of children education outlined in the National Education Policy 2010 have been defined in the light of these contemplations. The curriculum for primary education has been revised to develop a child on the potentials of his/her innate amazement, unbounded curiosity, endless joy and enthusiasm keeping in view the all-round development of children's potentials. The aims and objectives of primary education were modified in the revised curriculum of 2011.

The necessity of learning Religion and Moral Education is becoming wider everyday. It is utmost necessary at primary level. Because, at this age, a child's religious and moral base is strongly developed. Keeping this in mind, the section of Moral Teachings has been added in the **Christian Religion and Moral Education** Book. The text book has been developed strongly focusing on Christian Religion and morality so that our students can learn the difference between good and evil doing, avoid the evil and accept the good and build up themselves as a person of character and strong personality. So that they can be able to know and love God, the creations of God and nature according to their own characteristics.

To make the young learners interested, enthusiastic and dedicated, Bangladesh Awami League Government under the dynamic leadership of the Honorable Prime Minister Sheikh Hasina has taken initiatives to change the textbooks into four colors, and make them interesting, sustainable and distributed free of cost since 2009. The textbooks of Pre-primary, Primary, Secondary, Ibtedaie, Dakhil, Dakhil Vocational and SSC Vocational level are being distributed free of cost across the country which is a historical initiative of the present government.

My sincere acknowledgement and thanks to all who had helped in different stages of composition, edition, rational evaluation, printing and publication of the textbook. Though all cares have been taken by those concerned, the book may contain some errors/lapses. Therefore, any constructive and rational suggestions will be highly appreciated for further improvement and enrichment of the book. We will deem all our efforts successful if the young learners for whom it is intended find it useful to them.

CHAPTER ONE

THE PURPOSE OF CREATION OF HUMAN BEING

There is a special purpose behind every creation of God. For example, He created a seed so that a tree is generated from it. So that the tree grows up and bears fruit at the appropriate time. So that man and other animals can live by eating that fruit. God has also created us with a great purpose. Now, we will read about that immense purpose of God for us. Then, we will also know about our origin and of the last destination. We will also discuss how we can walk towards the way of God. While living in this world that He has shown us.

Our Origin

Our origin is God. He has neither any beginning nor any end. He existed in the past, remains at present and will remain for ever. God is almighty and knows everything. He exists everywhere. He created us. After creating everything of this universe, He created us as of his own image. He created us only with His

God is our origin and final destination

words. God has given us body, mind and soul. He also gave us free will and intelligence to decide between good and evil. We received our souls from God. Our souls are invisible just like God's. There is a connection between the souls of God and man. We can communicate with God through prayer and meditation. We can then listen to God's words and can know His will. We can understand good and evil doing. Thus, we take decision to remain and follow the path of good. We can do many good deeds with the power from God. Accordingly, our proper moral life is developed.

Our Final Destination

Our final destination is God. Once, we will go back to our origin from where we came. We will become one with Him. God created and sent us to this world for His glory. He always fosters and protects us.

We can enjoy a lot at different times with our family and friends. We have got this opportunity from God. He has given us different kinds of qualities. We fulfill our duties and responsibilities using these qualities. We serve our family, society and country. We can also take care of our body, mind and soul. Thus, we walk steadily towards our final destination. One day we will be called to return to God. On that day, we have to stand in front of Him rightly and truly. That is, we have to follow and move through such a path, which will lead us to reach to our origin.

Pathway of God

God has shown us a path to reach to our final destination. If we follow and move forward towards the path showed by Him, we will be able to reach Him. The path shown by God is His only son Jesus Christ. Jesus Christ said, "I am the way, the truth, and the life. No one comes to Father except through Me (John: 14: 6)".

Which way to follow?

We have to read the Holy Bible to learn about Jesus Christ and the path He showed us. In the Old Testament, the coming of Jesus Christ has been prophesized. And in the New Testament the life, teachings and works of Jesus Christ are described. In the New Testament, the commandments and instructions of God tells us to avoid the way of sin and move forward through the righteous path. There, it is also narrated how the devotee's of God have followed the path of God. We can learn about God's path by reading those matters with devotion, faith and prayerfulness. We can meet with Him by following these commandments. We can have eternal life and happiness by being united with Him.

What we have learned

Our origin is God Himself. He was, He is and He always will be and He is our final destination.

CHAPTER TWO

GOD

We have already learned that GOD is almighty and invisible. He has created everything. Even though God is invisible but He is present everywhere at the same time. He can do everything. He is so powerful and He possesses so many qualities that even if we try all our lives we would not be able to know Him completely. Now we will discuss three special qualities of God. We will learn that God is Almighty, Kind and Holy.

God is Almighty

God is the source of all powers. He is Eternal and Infinite. He is the beginning and the end. He is so powerful that He remains everywhere at the same time. The most special power of God is His love. He created everything out of His love. He created man as of His own image. He gave man the responsibility to look after and take care of everything. Even though He is the Almighty God, He took birth as a human being to live along with the humankind.

God is Kind

Kindness is a great virtue. It is a form of expressing His love. In other words, kindness means mercy. Kindness means doing something for others; while we see others are in trouble. Kindness also means charity. God is kind. His kindness is boundless. We cannot survive without the kindness of God. He created us because of His love. He takes care of us. He always protects us from danger. If we commit sin against Him and ask for His forgiveness, He forgives us. We learn about His boundless kindness through Jesus Christ. Jesus taught us magnificently about the forgiveness and kindness of God through the parable of kind and merciful father. In that parable, we saw that the father is always ready to forgive even if children make mistakes. We saw in the Holy Bible that when the younger son returned home, his father accepted him with new clothes, shoes and ring. They celebrated by arranging a feast. We always ask God for a lot of things. We ask Him for intelligence in order to study well, power for being a better human person and forgiveness for our sins.

Everyday we ask God for so many things. He is gracious. He observes what we need. He gives us what we need. There are many other things we do not ask Him for. Yet, He gives those things to us. Because, He is immensely kind.

God is Holy

Holy means sacred, pure, without sin and immaculate. God is completely holy. He is the origin of all holiness. We know that the impure thing do not last for long; it gets damaged. God is totally perfect and pure, thus, immortal. He has no destruction. He is completely sacred, thus, He was, is and will be forever.

God is simple like children and holy like flower

To become Holy and Kind like God

Jesus said to us, "You must therefore be perfect, just as your heavenly Father is perfect" (Mathew 5:48). We have to be holy since we came from Him. We want to return to Him after death. We can live and enjoy eternal life and happiness when our souls become one with Him after death. Therefore, Jesus tells us to become holy. We have to acquire this holiness through our works when we are in this world. Jesus has come to this world and showed us that way. If we lead our lives following Jesus, we can become holy. Jesus said that people, who are simple, humble and holy like the children, could enter heaven. Because, God's holiness lies within them.

Few steps to become kind and holy

- (1) Attend the Mass (Eucharist) every Sunday or attend the prayer service (regularly)
- (2) Attend the Mass everyday if church is near by
- (3) Go for confession once in a month
- (4) Remain honest and sincere following the Ten Commandments of God
- (5) Read the Holy Bible everyday and live accordingly to it's teachings
- (6) Pray Holy Rosary or say evening prayer on every evening
- (7) Carry out charity and help to others as much as possible.

Jesus' love and affection for the innocent children

CHAPTER THREE

THE HOLY SPIRIT

We have already learned that the Father, the Son and the Holy Spirit are the three Persons of the Trinity. There are Three Persons in One God. Previously, we have learned in details about the Father and of the Son. Now, we will learn about the Holy Spirit.

The Holy Spirit

The Holy Spirit is the Spirit of God. According to the words of Ezekiel, instead of the man's hard soul God has given the Holy Spirit to them. Men are inspired to obey the commandments of God receiving the Holy Spirit. To be a human being the Son of God has come to the womb of Mother Mary by the power of the Holy Spirit.

Sign of the Holy Spirit

John the Baptist said that Jesus would baptize his people with fire and the power of the Holy Spirit. Once, Jesus was baptized by John the Baptist, while the Holy Spirit came down upon him in the form of a pigeon. Jesus began preaching the Good News of God's Kingdom with the power of the Holy Spirit. He said, "The Spirit of the Lord is upon me because He has chosen me and anointed me" (Lk. 4:18). Before ascending to heaven Jesus said to his Disciples that, "He will send a Helper for them." He also said to them that, "They must stay in that city until they receive the Advocate." According to the commitment of Lord Jesus, the Holy Spirit has come upon them. The Holy Spirit is that Helper. He is the Spirit of the Father and of the Son. The father and the Son is present through the Holy Spirit. We got the Holy Spirit through baptism. The Holy Spirit always stays with us as a Helper.

Acts of the Holy Spirit

The Church is like a human body. The Holy Spirit gives power to all the parts of the Church. The whole Church is being guided by his power. Jesus Christ has given the Holy Spirit to his disciples at the time of sending them for preaching his words. The disciples began preaching with the power of

the Holy Spirit from that time. Even now, the people of the Church are preaching the words of God with the power of the Holy Spirit. Holy Spirit lives in the heart of all baptized Christians. Therefore, each of our body is the temple of the Holy Spirit. We pray with the power of the Holy Spirit. The Holy Spirit upholds the unity of the Church. We receive forgiveness for our sins by the power of the Holy Spirit. We regain the holiness of God after receiving forgiveness. He frees us from the slavery of sins and helps us to grow with freedom. We receive the Holy Spirit at the time of baptism. We receive seven gifts from him. We receive God's grace through the Holy Spirit.

Live with the inspiration of the Holy Spirit

To live with the inspiration of the Holy Spirit means to live with the powers of his gifts. We receive seven gifts from the Holy Spirit. They are wisdom, understanding, counsel, fortitude, fear of God, piety and knowledge. The following fruits are found within the people who live with the inspiration of the Holy Spirit. These are: charity, joy, patience, peace, goodness, benignity, long-suffering, mildness, faith, modesty, self-control and chastity. But, the people who do not live with the power of the Holy Spirit, among them we found: sexual abuse, lack of cleanliness, indiscipline life style, pagan worship, hostility, hitch, jealousy, anger, disagreement, quarrel, grouping, revenge and inebriety, etc. The people who keep unity are driven by the power of the Holy Spirit. But, people who practices partisanship and quarrels are driven by evil's spirit.

We can try the following steps to live with the inspiration of the Holy Spirit

- 1) To build relationship with the Holy Spirit and always feel his presence in our heart.
- 2) To ask for blessing of the Holy Spirit after awaking every morning to avoid evil doing and to live with his inspiration.
- 3) To say a special prayer before every work, especially before study. Again, extend thanks to the Holy Spirit after study.
- 4) To thank the Holy Spirit for guiding us the whole day before we go to bed every night.

- 5) To read a chapter from the Holy Bible and meditate it everyday on a specific time.
- 6) To obey the advice and guidance of the superiors.

CHAPTER FOUR

THE FIRST PARENTS

We have learnt about the falling and punishment of angels. We have learnt that they have become devil after the fall. Previously, they were good angels. Actually they have been fallen and punished for their pride. God sent them away from heaven. He created a hell for them and gave them punishment over there. In this chapter, we will discuss about the fall of our first parents. We will learn how they had to come in this suffering world leaving happy life due to their sin. We will also discuss here on what kind of hardship the first parents had to face in this universe. God created the first human being as man and woman. He named them Adam and Eve. 'Adam' means man and 'Eve' means woman. They were the only man and woman in this universe. God loved them very much. All creations of God were good but mankind was very good. Because, only

Adam and Eve at the Eden Garden

the human got the image of God. That means, God has created the man with his own image. God has granted man some of his own qualities. So God had kept his loving man in a happiest and most beautiful place. Its name was Garden of Eden. They lacked nothing there.

The days of first parents in heaven were as follows:

1. The first parents were living with God who is the source of all happiness. They were like one family with God. They did not have to worry about anything there. They had not to do any physical labor for producing food. There was no scarcity of water too. God had provided them everything before they wanted. They could enjoy whenever and whatever they wished.
2. They were holy as God. They had no impurity and defilement in their flesh, mind and heart. That is why no guiltiness was in their mind. This was their extreme happiness in heart.
3. The first parents had no disease or death. So, they had no tension for their treatment. They were not frightened for death. Because, they were with immortal God, who created them and was with them.
4. There were also birds and other animals beside the man in the divine garden with God. There were no quarrels among them. They used to live together. The big animals would not attack the small animals. Because, they too had no deficiency of food and security.
5. God had granted the first parents the power of superiority on all. In this connection they availed the responsibilities of taking care of the creations as a representative of God. Even the angles of heaven have not been granted this nice responsibility.
6. The God had granted the first parents free will. That is why they could do everything according to their wish. None of the creations has been granted this gift.

The disobedience of man

There were so many sweet fruit trees in the Garden of Eden. God permitted them to eat fruits from all trees but one. That was the tree of knowledge of what is good and what is bad. God had said to them that if they eat fruits of that tree, they would die the same day.

But the devil tried to trap the first parents to fall into sin. He used to hate the works of God. The devil had planned to take revenge on God through leading man the best creation to fall into sin. One day disguising as a snake he asked Eve, why they do not eat the fruits of that tree. She (Eve) replied, "God has forbidden us." The devil replied, "God has forbidden you because He knows that when you eat it, you will be like God." Then Eve fell into devil's temptation to become equal to God. She decided to eat some fruits using her free will and gave some fruits to Adam too. As soon as they had eaten it, they realized that they were naked. So, they sewed fig leaves together and covered themselves.

Adam and Eve are driven from the Heaven

The God came to the garden in search of them. When they heard the sound of God's walking in the garden, and they hid from him. But the Lord God called out Adam, "Where are you". Adam replied that he was afraid and hid from him (God). Then God realized that they have done

fault. He asked them whether they have eaten or not the fruits of the forbidden tree. Adam replied that Eve had had given him and he had eaten that. Then God asked Eve, why she had done that. Eve replied that the snake had tricked her into eating that. So, God became very much displeased on them all, Adam, Eve and the snake.

Punishment of sin

Adam and Eve consciously and willingly disobeyed the command of God. God had warned them in advance that they would die if they eat the fruit. So, God arranged punishment for them. As the snake has led Adam and Eve into sin, therefore God punished the snake too.

Punishment for snake : God said to the snake, "You will be punished for this; you alone of all the animals must bear this curse. From now on you will crawl on your belly, and you will have to eat dust as long as you live. I will make you and the woman hate each other; her offspring and yours will always be enemies. Her offspring will crush your head, and you will bite her heel."

Punishment for Eve : God said to Eve, "I will increase your trouble in pregnancy and your pain in giving birth. In spite of this, you will still have desire for your husband, yet you will be subject to him."

Punishment for Adam : The God said to Adam, "You have been cursed as you have listened to your wife and ate the fruit which I told you not to eat. Because of what you have done, the ground will be under a curse. You will have to work hard all your life to make it produce enough food for you. It will produce weeds and thorns, and you will have to eat wild plants. You will have to work hard and sweat to make the soil produce anything, until you go back to the soil for which you were formed. You were made from soil, and you will become soil again."

God had told the first parents regarding the consequence of eating fruits of the tree that gives knowledge of what is good and what is bad. They had forgotten the word of God by falling into temptation of the devil. They were punished due to their sin. God has not punished them illegally. They were genuinely punishable. They were sent out from the Garden of Eden.

Prayer

Loving God, you are holy. But I am too much weak. So, I too fall into temptation and distress you. I am extremely sorry for all of my sins. I will never offend you again. Oh! Loving God, have mercy on me.

The first parents were living with great peace in the Garden of Eden in heaven. They were sent out and punished due to their disobedience.

CHAPTER FIVE

THE HOLY BIBLE

We have learnt that the Holy Bible is the word of God. The Bible is a holy book. We have also learnt that the Holy Bible should be read with devotion, respect and love. Not only that but also we have to follow the word of the Holy Bible. Now we will discuss about the Holy Bible in details.

The word 'Bible' is from the Greek word 'Biblia'. The accurate meaning of the Bible is books. Because, there are 73 books (66 in Protestant Bible) in the Bible. The Bible is consisting of 73 books like many books in a library. Some of these books are big and some are small.

The Holy Bible

The writing of the Holy Bible started 950 years ago before the birth of Jesus Christ during the reign of kings David and Solomon. God himself has given the inspiration of the Holy Spirit among many people. The Bible has been written with that inspiration. The Bible is the long history of love between God and the mankind. The books of the Holy Bible have interrelation and similarity to one another.

Divisions of the Holy Bible

The holy Bible is divided into two main parts i.e. Old Testament and New Testament. Here the meaning of 'testament' is covenant. That is why sometimes the parts are called old covenant and new covenant.

The Old Testament or Old Covenant

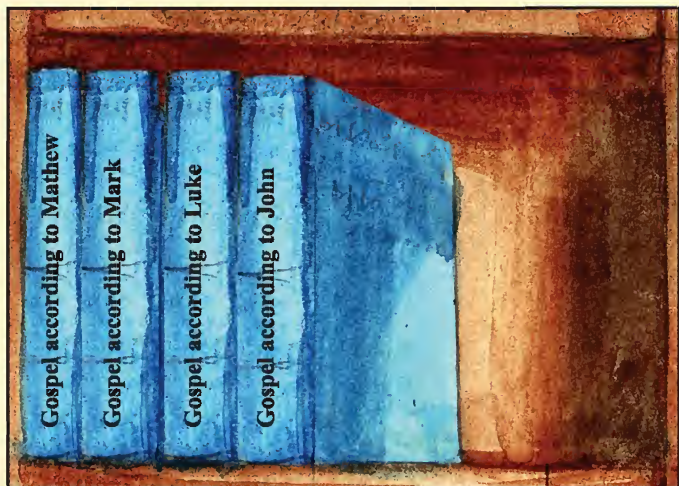

In the Old Testament the stories before the birth of Jesus Christ are described. God had closely own his devotee Abraham by loving. He had made great covenant with the people of Israel through Abraham. God had promised to Abraham that He (God) would give him (Abraham) so many descendants like the stars in the sky and sands of the bank of sea. Among the descendants of Abraham the redeemer of mankind would be born. God expected that the mankind would own him as he had own them. As He (God) had protected and blessed them (mankind), they too would be trustworthy on him. This way the relation of love was established between God and the Israelites. This relation has been highlighted in the Old Testament. God had sent to his nation kings and prophets. They have served the people as representatives and in the name of God. Actually this history has been described in the Old Testament.

The number of books in the Old Testament is 46. These are divided into four parts. Those are:- (1) Pentateuch: number of books is five; (2) Historical Books: number of books is 16; (3) Wisdom Literature: number of books is seven; and (4) Book of the Prophets: number of book is 18.

The number of books in the New Testament is 27. These are divided into five parts. Those are:-

a) The Gospels. The number of Gospels is four. Those are:-

1. The Gospel according to Mathew.
2. The Gospel according to Mark.
3. The Gospel according to Luke.
4. The Gospel according to John, and

b) The history of Christians: number of book is one. That is:-

1. The Acts of the Apostles.

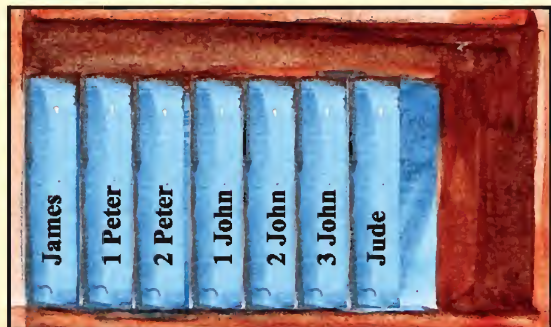

c) The number of books those are known as Letters of Paul is 14.

(1) Romans; (2) 1 Corinthians; (3) 2 Corinthians; (4) Galatians; (5) Ephesians; (6) Philippians; (7) Colossians; (8) 1 Thessalonians; (9) 2 Thessalonians; (10) 1 Timothy; (11) 2 Timothy; (12) Titus; (13) Philemon; and (14) Hebrews.

d) The number of Catholic religion books is seven. These are:-

(1) James; (2) 1 Peter; (3) 2 Peter; (4) 1 John; (5) 2 John; (6) 3 John; and (7) Jude;

- e) The number of Prophetic book is one. That is:- 1. The Revelation.

The Importance of reading the Holy Bible:

We are to take balance diet in order to keep our body healthy. Similarly, we need spiritual diet in order to keep our soul healthy and alive. CHAPTER SIX

THE TEN COMMANDMENTS OF GOD

The Ten Commandments is the law of love, salvation and freedom. We can be more close to God and men through understanding and practicing these commandments. These show us the way of living a fair life. We have learnt about the meaning of first commandment in the first chapter. In this chapter, we will learn the meaning some more commandments and will try to obey those.

"Thou shall not take the name of the God in vein". The meaning of this commandment is:-

1. The name of the God is holy

To take the name of God makes sense of God too. God is Sacred. He is the source of all holiness. His name should be uttered with sanctification. We show our love towards him through expressing his glory and praising him. Through revering and respecting God's holy name we become loyal to him. In the Lord's Prayer we say to our Heavenly Father "holy be your name". We comply through this that he has created us. That is why we express the glory of his name.

Example of taking the name of God unnecessarily and in vein:

God loves us and He wishes our good. He wishes that His holiness be manifested through us. But we human beings are too weak. Sometimes we become selfish. We use God for our own interest. We misuse his name in many ways. We try many times to oblige God to fulfill our desires, such as:-

1. To vow : Sometimes we bear in mind the business with God. We vow to the deity for many things. We say to him, if I pass the examination by the grace of God, I will offer one packet of candles in the mass or offer one mass. God actually blesses us by observing our diligence. He wants that we follow his words and love him.

2. To vow to deity for silliest matters : Many times we do promise for silliest issue in the name of God. For example we say, "I swear in the name of God or saying by touching the Bible that I have not stolen or not done it". In fact, we disgrace the holy name of God through this type of oath.

3. To pray to God with evil purpose or to cheat him : To obey religion or to say prayer is not to fulfill own interest. We can not use the name of God for cheating others or to curse others. It is not good to play trick in the name of God.

4. To say God to solve problems without trying oneself : God has created us with knowledge, intelligence, power and many types of qualities. He wants that we work hard and utilize the gifts given to us. But many times we depend only on God without utilizing the talents. For example; without studying well we say to God that he passes us in the examination.

5. To accuse God : There are so many good and bad events in our daily life. Some time we fall into many types of accidents or danger. That time we accuse God and call his bad name too. Even we lose confidence on him. We never think that the accident might have been occurred for own or others' fault. So we disgrace God through accusing him.

Warning Message

"Do not use my name for evil purposes, because I, the Lord your God, will punish anyone who misuses my name" (Exodus- 20:7). The God himself has warned us not to take his name in vein. So, we have to carefully take the holy name of God with deep love and reverence.

The meaning of the commandment "Remember that thou keep holy the Sabbath (Sunday) day": The Lord God has said in the Bible, "Observe the Sabbath and keep it holy. You have six days to do your work, but the seventh day (Sabbath) is a day of rest dedicated to me (the Lord God). On that day no one is to work-neither you, your children, your slaves, your animals, nor the foreigners who live in your country.

In six days I, the Lord, made the earth, the sky, the sea and everything in them, but on the seventh day I rested. That is why I, the Lord, blessed the Sabbath and made it holy (Exodus: 20:8-11).

The meaning of observing the Sabbath (Sunday)

To observe the Sabbath (Sunday) has a humanitarian aspect. That is: we all need rest if we do work. If we do not take rest we become tired and lose the ability of working. If we take rest, we get back the power in body and mind and later on, we can perform our duties more efficiently. This is the natural need of human being. That is why there is weekly government holiday in every country. The second one is the spiritual aspect. God has said that this day is holy. So, we have to observe the day in holy manner. To observe the Sabbath in holy manner means to pass the time with close proximity with God. That means to observe the day with spiritual exercise and adoration.

The Importance of living according to God's Commandments : We will not take God's name in vein and observe the day in holiness. Because:-

1. God has created us so that we love and revere him.
2. We have to express the glory of his name.
3. We have to worship God on Sabbath (Sunday).
4. We want to get the company of the holy God.
5. To become holy as God is our vocation.
6. We want to gain such good things which are everlasting.
7. To serve the poor and distressed people is our duty.
8. Physically and mentally we want to live a healthy life.
9. We need to associate with other people of the society on Sabbath.

CHAPTER SEVEN

SIN

We know that to disobey the commandments of God consciously or unconsciously is sin. Thus, when we decide not to follow the word of God then we do not love God and his creature human being. And that's why it has been said that when we do not love God and fellow human beings we commit sin. In a way, we commit sin by disobeying the ten commandments of God. On the other hand, we commit sin for not doing our responsibility towards the poor and vulnerable people of the society.

Role and Responsibility of believers in Christ towards the oppressed

All human beings are created by One Creator, God. Even then, we make discrimination among us. We make discriminations between the rich and the poor. The people of one religion belittle the people of other faith. Sometimes, the people of one country treat themselves superior compared to the people of other countries. But Jesus Christ does not like these kinds of attitudes at all. He compared himself with the poor and neglected ones. Jesus said that those who want to be the great should serve the little ones.

Negligence and skipping away the responsibility as a Christian

Service to the wounded

Teaching of Jesus about the role and responsibility of believers in Christ towards the oppressed

We have to stand in front of Jesus for the final judgment after our death. Our judgment will be done on the basis of whether we have done our responsibilities properly towards the poor and oppressed people.

Our judgment will not be done on what educational degree we have obtained, how much fame we have gained or how many countries we have visited, etc. Jesus himself told us about the criterion for judgment. Now, we will read the same.

When the Son of God comes as the King and all the angels with him, he will sit on his royal throne, and the people of all the nations will be gathered before him. Then he will divide them into two groups, just as a shepherd separates the sheep from the goats. He will put the righteous people on his right and the others on his left. Then the King will say to the people on his right, 'Come, you that are blessed by my Father! Come and possess the kingdom which has been prepared for you ever since the creation of the world. I was hungry and you fed me, thirsty and you gave me a drink; I was a stranger and you received me in your homes, naked and you clothed me; I was sick and you took care of me, in prison and you visited me.

The righteous will then answer Him, 'When, Lord, did we ever see you hungry and feed you, or thirsty and give you a drink? When did we ever see you sick or in prison, and visit you? The King will reply, 'I tell you, whenever you did this for one of the least important of these brothers of mine, you did it for me!

Then, he will say to those on his left, 'Away from me, you that are under

God's curse! Away to the eternal fire which has been prepared for the devil and his angels! I was hungry but you would not feed me, thirsty but you would not give me a drink; I was a stranger but you would not welcome me in your homes, naked but you would not clothed me; I was sick and in prison but you would not take care of me.'

Then they will answer him, 'When, Lord did we ever see you hungry or thirsty or a stranger or naked or sick or in prison, and would not help you? Then the King will reply, 'I tell you, whenever you refused to help one of these least important ones, you refused to help me.' These, then, will be sent off to eternal punishment, but the righteous will go to eternal life. (Matthew 25:31-46)

Basic Meaning of Jesus' Teaching

1. We see that there are many neglected and least important people around us. We can extend our cooperation to them whenever we want. We may not assist providing money but we may help them by saying words of encouragement and showing smiling face.
2. We might not keep records of helping others. One might not document, how many people he has served. But, we have to continuously help and support in this way until death.
3. One might not desire honor on account of his help and service to others. Jesus tells, your help would be in secret so that your left hand might not know what the hand is doing. This would be known only by the Heavenly Father. He will reward us.
4. Our role and responsibility is to help the neglected and least important people around us. It is must for us to perform this duty and we should in no way neglect it.
5. In this materialistic world, when we extend any support towards the children of any parents, they feel delighted. Similarly, when we extend any help to others, then the Almighty God also is pleased. Because, all human beings are His creation and we all are brothers and sisters.

Sing a song

Serve the poor, Serve the needy, That's the service of Christ. ||
Those who sit beside the road and falling tears,
Take them in your warm arms, That's the service of Christ. ||

Rewards of performing and not performing duties

According to the teaching of Jesus, we will be rewarded performing our duties towards the poor and neglected. On the day of Final Judgment Jesus will say, "Come, you that are blessed by my Father! Come and possess the kingdom which has been prepared for you ever since the creation of the world." It means, these types of people are pious. They will enter to the eternal life or to Heavenly Father.

And those who will neglect performing his/her duty, Jesus will tell them, 'Away from me, you that are under God's curse! Away to the eternal fire which has been prepared for the Devil and his angels'. These, then, will be sent off to eternal punishment.

Sing a song

Chours : Whatsoever you do to the least of my people
What you do unto me.

When I was hungry you gave me to eat,
When I was hungry you gave me to drink,
Now enter into the home of my Father,

When I was weary you huped me sind rest,
When I was anxious you calmed all my fears,
Now enter into the home of my Father.

When I was homeless you open your door
When I was naked you gave me your coat,
Now enter into the home of my Father.

CHAPTER EIGHT

CHRIST THE REDEEMER

We already came to know about the purpose and birth of Christ the Redeemer. Now, we will discuss about his work of salvation. For God loved the world so much that he gave his only Son, so that every one who believes in him may not die but have eternal life. For God did not send his Son into the world to be its judge, but to be its savior (John; 3: 16-18). We can see very clearly in the words of the Holy Bible that Christ is the redeemer of this world. Jesus spent 30 years with his parents at Nazareth. He started his public ministry of salvation when the time has been fulfilled.

Jesus is teaching the people

Beginning of the Work of Salvation of Jesus

Jesus started his work of salvation through preaching the Good News, doing miracles and wonders and through his exemplary life-style. He started his work at Galilee. First, he was baptized by John the Baptist. Then, he went to the desert, where he stayed 40 days in praying

and fasting. He came to know that John the Baptist had been put in prison. At that time he went to Galilee and started preaching the Good News of God. "The right time has come", he said, "and the Kingdom of God is near! Turn away from your sins and believe the God News!" (Mark 1:14-15). On the one hand, he started preaching and on the other hand, he started calling his disciples. Once Jesus went to Nazareth, where he had been brought up and on the Sabbath he went as usual to the Synagogue. There he read from the prophet Isaiah. He read the following ;

"The Spirit of the Lord is upon me, Because he has chosen me to bring good news to the poor. He has sent me to proclaim liberty to the captives and recovery of sight to the blind; to set free the oppressed

And announce that the time has come

When the lord will save his people."

By declaring this statement, God Jesus Christ informed that, prophet Isaiah has said about himself long ago. Prophet said that, "In the womb of virgin mother. One saviour will be born and he will save imprisoned men in various ways."

Inner meaning of Jesus words regarding Salvation

Now we have realized that the main purpose of Jesus' preaching was to proclaim the kingdom of God. He wants to remind the people that the kingdom of God is near. That is, God reigns over the whole creation. He is the Lord of everything. He is the King of all kingdoms. He wants to make aware everyone regarding this and tells everyone to come back to him by turning away from their sins. To come back to the way of God means to express the virtues of justice, peace, love forgiveness, sympathy, charity, kindness, affection, etc. People of this world were absorbed in worldly thoughts. Though they were not physically captives, but spiritually they were. That is, they were derailed from the path of God and were following the path of devil/Satan. Works of injustice, quarrel, hate, revenge, had attitudes towards others were expressed by them. That is why, everyone has to convert their hearts, give up the way of devil and come back to the way of God. We have to again accept God as our King and Lord.

Miracles of Jesus

1. Once Jesus was in a town where there was a man who was suffering from the dreaded skin disease. When he saw Jesus, he threw himself down and begged him, 'Sir, if you want to, you can make me clean!' Jesus stretched out his hand

and touched him. "I do want to," he answered. Be clean!" At once the disease left the man (Luke: 5: 12-13).

2. Once Jesus was preaching to a group of people, when few people arrived carrying a paralysed man to Jesus. Because of the crowd, however, they could not get the man to him. So they made a hole in the roof right above the place where Jesus was. When they had made an opening, they let the man down, laying on his mat. Seeing how much faith they had, Jesus said to the paralysed man, "My son your sins are forgiven". Jesus again said to the paralysed man, "I tell you, get up, pick up your mat and go home". At once, he stood up in front of others. The man got up, picked up his mat and went back home praised God. While, the audience present there, all were amazed (Mark: 2: 1-12).

3. Jesus was talking to the people, at that time a social leader of the Jews came to him, knelt down in front of him and said, "My daughter has died just now. You please come and touch her just once, certainly she will be alive." At once Jesus went with him. Jesus found a big crowd at the home of the Jewish leader. Jesus then said to the crowd, 'You please go away from here, the child is not dead - she is sleeping only.' They laughed at him and made

Jesus heals the paralytic

various comments to Jesus. Then, those people were told to go away from there. While, Jesus entered into the room where the child was lying and took her by the hand. At once she got up and started walking around. This message was then spread out all around (Mark:5:35-40).

Jesus was doing miracles and wonders one after another. The disciples of John the Baptist delivered this message to him. One day, John sent two of his disciples to Jesus. John sent them to Jesus to know, whether he is that redeemer, who is supposed to come. Meanwhile, Jesus has done few miracles in front of the disciples of John. Then, Jesus said to them, "What you have now seen and listened, let John be informed about this. Let him be informed, "The blind now can see, disabled is walking, leprosy patient is being cured, deaf can listen, people alive from dead and Good News has been proclaimed to the oppressed". Jesus informed the disciples of John by telling these words, "Jesus is that Saviour for whom people are waiting." Whatever miracles he has done are the signs of God's Kingdom. That is, God rules over everything of this universe.

Walking towards the way of Salvation

We, the people are the creation of God. God has a good planning for us. He has made that plan for our well-being. According to this plan he has sent his dearest son Jesus to us. Jesus has sacrificed his life for the salvation of mankind. He has opened the path of heaven for us. If we follow faithfully the way of Jesus, then we will be saved. Some ways and steps on how we can move forward to the way of Jesus have been described below;

1. Keep deep trust and faith on God, that is, believe the Word of God written in the Holy Bible
2. Accept Jesus by heart and soul as the Redeemer
3. Meditate on the gifts of the Holy Spirit and try to grow in those gifts

CHAPTER NINE

THE COMING OF THE HOLY SPIRIT

We received Holy Spirit during the time of our Baptism. We are matured in the Holy Spirit during Confirmation. Already we have come to know the seven gifts and twelve fruits of the Holy Spirit. Now we are going to know about how the Holy Spirit came upon the apostles of Jesus Christ. Then, we will discuss the beginning of the preaching of the Gospel.

The Event of the Coming of the Holy Spirit

After His passion, death and resurrection, Jesus was bodily near to His disciples up to 40 days. At that time, He appeared to them many times. Then He ascended into Heaven. Before His ascension to Heaven, He said to His disciples that, "He would not leave them alone. He would send a helper for them. This helper would lead them and stay with them always. According to this saying, God's Spirit came upon the disciples." This incident occurred on the day of Pentecost, ten days after His ascension to heaven. The word 'Pentecost' means the complementary of the number 50. 'Pentecost' means the day after passing 50 days. This was a special feast of the Jews. On this special day they remembered the giving of the Ten Commandments to Moses by God on Sinai.

On that day, all the disciples of Jesus were sitting together in a room in Jerusalem. It was then 9:00 o'clock in the morning. Suddenly there was a noise from the sky which sounded like a strong wind blowing, and it filled the whole house where they were sitting. Then they saw what looked like tongues of fire which spread out and rested on each of them. And all of them were filled with the Holy Spirit. At the coming of the Holy Spirit like the tongues of fire, they remembered the words of Jesus' promise. He said that He would send Holy Spirit, the helper. They also remembered Jesus told them the forgiveness of sins. While breathing on them, He said, "Receive the Holy Spirit. If you forgive the sins of any, they are forgiven them in Heaven; if you retain the sins of any, they are retained in Heaven too" That Holy Spirit will forgive the sins of all by the fire of love. The disciples too would forgive the sins with His power.

The changes among the disciples at the coming of the Holy Spirit

After receiving the Holy Spirit, all kinds of fear disappeared from them. They got strength in their hearts that they never had before. They started speaking in different languages. Besides this, their hearts were filled with a kind of joy. That day on the occasion of Pentecost, the Jews from different countries were present in Jerusalem. Hearing this noise of the wind, the Jews who came from different countries gathered there. They were astonished hearing the disciples speaking in their own languages.

Peter's speech after receiving the Holy Spirit

They thought that the disciples got drunken by drinking wine. But Peter stood up and said to them that they did not drink wine but they had received the Holy Spirit. He witnessed about Jesus by giving a long speech. He said that Jesus was Christ. God Himself sent Him. But they made a great mistake by killing Jesus. They committed a grave sin by doing this. Hearing his speech, the people were repentant and converted their minds. Three thousand people, on that day, received baptism. Coming down from Heaven, the Holy Spirit remained in the Church. He

remained in the hearts of all disciples, Virgin Mary and all the baptized followers of Christ. Then the following changes were noticed:

1. All the baptized paid attention to the teachings of the apostles, sharing, the celebration of the breaking of the bread and prayer.
2. Many miracles began to occur by the apostles.
3. Fear of the Lord that is obedience to God was in their hearts.

- 4 All the devotees began to give money to the disciples which they got by selling all their properties. They took from there according to their needs.
5. All of them began to pray, praise God and participate in the Eucharist with one mind and one soul.
6. Day by day many people began to join in their community.
7. Thus, the journey of the Church began.

What we have learned

We came to know the event of the coming of the Holy Spirit. After receiving the Holy Spirit, all kinds of fear disappeared from the disciples. Then they began to preach the Gospel of the risen Christ. Many people began to believe and were baptized.

CHAPTER TEN

THE CHURCH OF CHRIST

We become the children of God and the members of the divine family through Baptism. Church is the family of God. He is the Father of this family and we are His children. So, we should know properly what it means to be the children of God. We should also know how the Church becomes family, what is the meaning of family, what our duties are as the members of family. We will become more active members of the Church by knowing all these matters.

Church is a Family

The Heavenly Father makes us partakers of divine life. It means that in spite of being men, we can come to the closeness of God. Thus, Thus, He has given us the dignity. We are called to participate in His divine life through His Son. Father determined that those who will have faith in His Son Jesus, will be included in the Church. Thus, the Church or the family of God has been formed.

In the Holy Bible, we learn to call God as Father through Jesus (Ref. Mt. 6:9). We come to know through St. Paul that we become the children of God through Baptism (Ref. Gal. 4:1-7). With childlike attitude, we call God 'Abba' which means 'Father' (Ref. Rom. 8:15). In the Holy Bible, we find many examples as such through which the Church is compared to the family.

The Joy of living in communion with in the Church

Our communion with the Church is not only with Christ but also with every member of the Church. Our Lord Jesus Christ gives importance on communion from the very beginning. So, He drawing the example of the vine, tells us, "I am the vine, you are the branches.

Those who abide in me and I in them, bear much fruit because apart from me you can do nothing" (Jn. 15:5). We understand from Jesus' saying that He is the real vine. We are the branches. We should have relationship with Jesus and also with each other. Without this relationship with others we cannot live, cannot be fruitful. We cannot deny this relationship.

The members of the early Church used to pray with one mind and one soul. They used to share with each other their money, food and other possessions. With heartfelt joy and simplicity, they used to eat together.

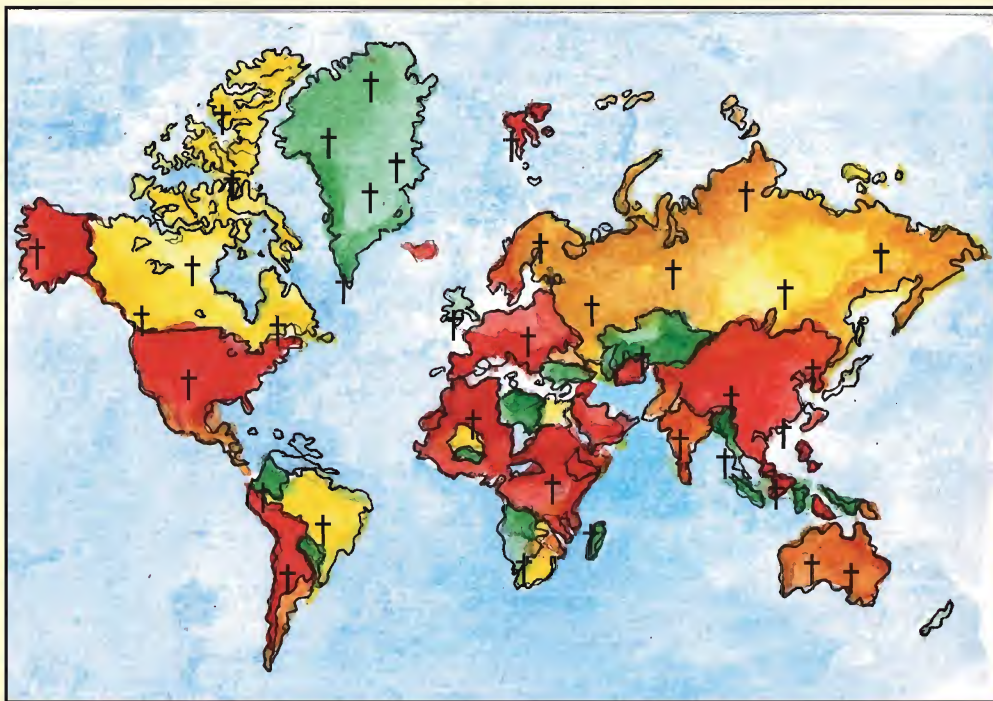

Every day they used to worship and praise God. Seeing their joyful and community life, every day new members used to join with them. We exchange our love and attitude through family. Through this, mutual relationship becomes strong. There is a leading person in every family. In the Church, God loves us like our parents. He guides and forms us. He keeps all united in a single family.

We can find the best example of the relationship among the members of the family in

Family Prayer

the letter of St. Paul to Timothy. St. Paul considers Timothy as his own son (1 Tim. 1:2, 18). Through this he has shown his affection and love to Timothy. This is the relationship between master and disciple. St. Paul instructs Timothy to respect the old-age people as his parents and considers the young people as his brothers and sisters.

The Universal Church is One Family

The Holy Eucharist

We receive the same body and blood of Christ in the Eucharist. We are united with Jesus. For this reason, we should have communication with each other. We do not participate in this Eucharist separately. We participate in the Eucharist all together as a society. As the faithful of the Church we pray together, hear the word of God and receive Holy Communion.

Holy Eucharist is a social celebration. We do not participate in the Eucharist individually. We participate with all others in the Eucharist being in one community. Very often it is seen that we meet each other before or after the Holy Eucharist. This is also the way to build a deep relationship among each other. The Holy Eucharist is like the family feast. When unity prevails in the family, they feel joy having food

together. When unity does not prevail in the family, they do not take food together. We should not have any grouping or strained relationship.

Believers' journey to Communion

The responsibility and duties of the members of the Church

The believers of Christ are the members of the Church, a single family. Those who are united in the Church through Baptism, have some duties. Among these the three important duties or roles are as follows.

1. Priestly Role : We become the people of God through faith and Baptism as the members of the Church. We are anointed with holy oil during Baptism. Through this we become priests. So, we can now lead the prayers.

2. Prophetic Role : The role of a prophet is to preach the Word of God to the people. They work in favour of truth, justice and peace. They become the worthy witnesses of Christ. We can play prophetic role by witnessing Christ and preaching the word of truth, justice and peace.

3. Kingly Role : Kingly Role is to lead family and society properly. Jesus, in spite of being king, played the role of a servant. He said repeatedly that He came to serve and not to be served. We can also play kingly role by serving, leading our lives properly and helping others to lead their lives properly.

What we have learned

The Church is a divine family. We have understood the importance of participating in the Eucharist as the members of the Church. We become aware of our own duties and responsibilities.

Make a list of the duties of the different members of the Church.

CHAPTER ELEVEN

CONFESSION, EUCHARIST AND CONFIRMATION

We have already known the seven sacraments of the Church. These sacraments are as follows Baptism, Confirmation, Eucharist, Penance, Anointing of the Sick, Holy Orders, and Matrimony. These sacraments are closely related to every important moment of Christian life. These sacraments in the Church guide us in the right path. They are the guide of our lives. These sacraments should be received by being holy because we receive God's grace through these sacraments in the mediation of Christ. We become one in God, that is, we receive the grace of God; become disciples of Jesus and the real members of the Church. We already discussed about Baptism in details. Now we will know about Confession, Eucharist and Confirmation.

1. The Sacrament of Confession

The second one of the seven sacraments of the Church is Confession or Reconciliation. It is called the sacrament of penance, forgiveness, confession and conversion of mind. We receive the sacrament of confession when we have the ability to discern between right and wrong. It is good for us to receive the sacrament of confession frequently in order to attain holiness. We are separated from Christ for sin. In that separated condition, we convert our minds through confession. Thus we can abide with

Receiving the Sacrament of Confession

Jesus. In the confession, being repentant for the sins, it needs to confess all our sins to the priests. The priest gives us advice and absolution.

He forgives our sins in the name of the Father, and of the Son and of the Holy Spirit. Thus we are reunited with God and the Church. We get rid of the punishment of hell, receive peace and spiritual strength.

We need to keep in mind the following five things in order have good Confession:

1. I will recall all my sins before Confession.
2. I will repent for those sins.
3. I will promise not to commit sins any more.
4. I will confess all my sins to the priest.
5. I will do the penance what the priest tells me to do for the forgiveness of sins.

Let us Sing

Lord, look down on one, Lord look down on me.

Oh, show your servant your mercy, Lord. Oh yes,
Lord, Look down on me.

Planned work

1. Write a prayer on forgiveness to God after being repentant.
2. Recall all the sins you have committed on the past days and ask pardon to those with whom you have broken the relationship for many reasons and decide for reconciliation.

2. The Sacrament of the Eucharist

The Sacrament of Eucharist is known through many names, such as thanksgiving act, The Holy Eucharist, Lord's banquet, remembrance of the Lord, the Breaking of the Bread, the holy sacrament of the altar. The Sacrament of the Eucharist is the body and blood of Christ in the form of bread and wine. We know that Jesus has had two natures: the divine and human nature. In the divine nature, He is present everywhere and in the human nature. He is present in Heaven and in the Eucharist. In the Eucharist, we receive Christ because in the Eucharist, the bread and wine become the

The Holy Eucharist

body and blood of Christ by the words of the priests. In the Eucharist, Jesus gives himself to us in order to be the life and food of our souls. So, it is necessary to receive the Eucharist everyday if there is a chance. Jesus instituted the Eucharist on Holy Thursday. Jesus took the last supper with His disciples on that very night when he was betrayed. During the supper, He took bread and broke it into several pieces. Then He gave those pieces to the disciples and said, "Take this, all of you and eat it. This is my body which will be given up for you." Then He took

The Last Supper of Jesus with His Disciples

the cup and gave it to the disciples and said, "Take this, all of you and drink from it. This is the cup of my blood, the blood of the new and everlasting covenant. This cup will be poured out for you and for the forgiveness of sins of all mankind. Do this in remembrance of me." We remember the event of the Jesus' last supper in the Eucharist. This remembrance is not the historical remembrance only. Every time the Holy Eucharist is offered, Jesus sacrifices Himself.

The Eucharist is the source of the life of the Church. The sacrament of the Eucharist is the time of the union between God and His people. Through this, we receive the taste or the joy of God's eternal life.

Our reverence to the Eucharist

We must show our reverence to the Eucharist. We need to adore Christ whether it is the time of the Eucharistic celebration or other times. Wherever the Eucharist is kept, a candle is lit there. The Church reserves the Eucharist with great care. That Communion (Eucharist) is brought to those sick people, who cannot participate in the Eucharistic celebration. The Holy Eucharist is exposed for adoration. Not only this, we also show our respect to the Eucharist through the Eucharistic procession.

The result of receiving Eucharist

1. The union of the faithful with Christ and Church is enhanced through the Eucharist.
2. Fraternal love is increased among the faithful who receive Holy Eucharist.
3. The piety and love of the faithful is strengthened more.
4. We received strength to remain abstain from sins.
5. The strength to share our lives with others is received.

Planned work

1. From today, we will receive the Eucharist with faith and devotion.
2. I will participate in the Holy Eucharist if I get the opportunity.
3. I will encourage those who do not like to participate in the Holy Eucharist.

3) The Sacrament of Confirmation

The reason for calling this sacrament, 'the Sacrament of Confirmation' is because in this sacrament, the grace of the Holy Spirit is asked by laying hands on head of the candidate. This sacrament is known as the sacrament of Confirmation because the presence of the Holy Spirit is confirmed in the soul of the candidate through this sacrament. The important act of this sacrament is to anoint oil on the forehead of the candidate. Through the anointing, the person becomes worthy to be the real Christian and disciple of Christ. Jesus led his whole life and did all

works by being united with the Holy Spirit. On the Pentecost, the apostles glorified and praised God after receiving the Holy Spirit. Those who received Baptism at that time, the apostles used to lay their hands on them and they received the same Holy Spirit. Ages after ages, the Church makes alive the presence of the same Holy Spirit in our midst.

Bishop is administering the Sacrament of Confirmation

Bishop gives the Sacrament of Confirmation. He himself lays hands on the head and anoints oil on the forehead of the candidate. And through this, the person who receives confirmation becomes united with the Church. Any baptized can receive the Sacrament of Confirmation. He/she can receive this sacrament only once in life. To receive this sacrament, the person must be holy in his/her soul.

The result of Confirmation

1. The Holy Spirit comes newly in the heart of the faithful.
2. A spiritual seal is given.
3. The faithful is united more firmly with Christ and the Church.
4. The power of the Holy Spirit becomes active in the heart of the faithful.
5. The faithful receives a special strength so that he/she may be the real witness to Christ.

What we have learned

CHAPTER TWELVE

ABRAHAM, THE FATHER OF THE FAITHFUL

There are many ideal persons in the Holy Bible. They can be the best examples in our lives. Abraham is such a person whom we call the father of the faithful. He trusted on God so much that the savior came of his root. If we can imitate his life style we can also be the dear ones to God.

The call of Abraham

Abraham lived at the country of Urr in the region of Mesopotamia. His wife's name was Sara. Abraham was a herdsman. He had a lot of lambs, cows, goats and camels. He used to spend whole day in the field to herd the cattle. Abraham was a very pious man. God planned to give him a greater responsibility. God wanted to test his faith and piety. So, one day God said to Abraham, "Go from your country and your kindred and your father's house to the land

Abraham and his Son Isaac fulfilling the will of God

that I will show you. I will make of you a great nation and I will bless you, and make your name great, so that you will be blessing. I will bless

those who bless you and the one who curses you I will curse; and in you all the families of the earth shall be blessed." (Gen.12:1-3).

This call was the high time for Abraham to take decision. Considering everything, he responded to the call of God. Then he set out a journey towards an unknown and unfamiliar new country. He reached at a place named Shechem on the way. There under the Oak tree, God appeared to him and said, "To your offspring I will give this land." Then Abraham built there an altar to the Lord and invoked the name of the Lord.

Promise of God

Abraham reached to the Promised Land. There he began to live in the tent. But they did not have any child. One day God appeared to him and said, "Don't be afraid. I will give you a great gift." Abraham asked to God, "What will you give to me? I have no children. Who will be my inherit?" Then the Lord told him, "Your son will inherit you. Thus the Lord God promised him by saying, "I will make you the father of many nations. Your descendents will like the stars of the Heaven and the sands of the sea. I will make you fruitful. Many kings will come of you. I will make this covenant everlasting with you and with your descendants. For, I may be God for you and your descendants."

The readiness of Abraham to sacrifice Isaac

God always fulfills His promise. He promised to Abraham that his wife Sara would beget a son. God fulfilled His promise. So, Sara gave birth to a child in her old age. Abraham named him Isaac. God knew that Abraham had a deep faith and confidence on God. Yet He wanted to test him and said to him one day, "Sacrifice your only son Isaac whom you love most." He went to the land of Moria according to God's will.

He took two servants with him. He took wood, fire and sword for the sacrifice.

On way to the journey, Isaac said to his father, "we are taking fire and wood for sacrifice but where is the lamb?" Abraham said to him, "God will provide." Abraham prepared an altar on the particular place. Then he tied Isaac and put him on the altar. Thus, Abraham prepared Isaac for sacrifice and took sword in his hand to sacrifice his son. On this very moment an angel of the Lord told from Heaven, "Don't touch the boy. Don't do any harm to him as I know that you love your God more than your son."

Abraham, the father of the faithful

We knew before that Abraham lived in the land of Urr in Mesopotamia. At that time the people of Mesopotamia worshipped many god and goddess (like sun, moon, stars). They did not know the one God. But Abraham had kept deep faith and confidence on the one almighty God. Abraham's faith on God was so firm that he left his own house, wealth, relatives according to the will of God. He went to the unknown and unfamiliar country by having deep faith on God. Even he was ready to sacrifice his only son for God. Thus, Abraham was the first who had kept deep faith and confidence on one God. He became a very good example before us. So, we call Abraham, the father of the faithful.

What we have learned

Abraham had deep faith on God. He did not worship any god and goddess but God. He was always ready to fulfill the will of God. God established a loving covenant with him.

Prayer : If you call me, Lord,
I promised, I shall not go back.

Fifteen years after being Pope, used to take a leave every year to climb the mountain.

His Study Life

Joseph completed his high school study in 1938. After that he admitted into Jagiellonian University under Krakow. This time was the period of Second World War. In this situation, Joseph wrote two dramas named "David" and "Job" and staged.

Karol Joseph Wojtyla (Lalok)

Along with these, he began to work in the limestone cutting factory as an employee. This is how he was released from the attack of the Nazis. His father died when he was at the age of 21 in 1941. This time Joseph was known as a famous actor throughout the whole Poland.

Ordination to the Priesthood

The Second World War was still going on. This time Joseph decided himself to be a priest. He then joined to the 'Secret Seminary' in 1942 as well as he was working in a soap factory too. Once in 1944, a military truck hit from behind which caused him fall down to the road and a hurt on his shoulder. Many young people were caught and put into the jail by the army. But a cardinal hid Joseph along with some other seminarians in Archbishop's House. He begins his study again after the Second World War. Then he was ordained to the Priesthood. He left for Rome for studies and obtained doctorate degree after completing study in philosophy and then went back to his own country. He studied theology in his own country and obtained doctorate degree. Then he began to work in the parish under Krakow city. Here he spent much time for the youth. At the same time he began to teach Ethics in Jagiellonian University.

Unification of Men

The second motto of Pope John Paul II was "No war but Peace". Every one throughout the world wants peace, and peace does not come without justice. And justice means to give one his/her due.

For this John Paul II was very much concerned about Human Rights. He supports the morality. He always favored the Poor, oppressed and the neglected. He criticized severely different countries involved in wars and he called them to bring peace there. Especially during the time of the attack of Iraq and Kuwait in 1990 and terrorist attack in U.S.A in 2001.

The best example of Forgiveness

Pope John Paul was meeting people in St. Peter's Square in 1981. At that time a citizen of Turkey named Md. Ali Azza suddenly shot him. Immediately Pope was taken to the hospital. On the other hand Ali Azza was also caught by the police and put into the jail. He was in the hospital for twenty two days after an operation which lasted for six hours. After returning home, he began to pray for the conversion of Ali Azza. Two weeks later, he went to the hospital for his second operation. In 1983, Pope went to jail to see Ali Azza and prayed for him and forgave him. He requested Government not to sentence Ali Azza. That day the whole world was astonished seeing his great example forgiveness.

Meeting with Ali Azza in the prison

Considering All Equal

Pope John Paul II considered all equally; small-great, poor-rich, male-female, Christian-non Christian with the same look. As a Pope, he travelled different countries 104 times and met the presidents or head of more than 142 countries. Pope John Paul II met more persons than all other popes. He loved the children most. It is he who instituted the tradition of observing World Youth Day. He loved the youth so much that he was called the pope of the youth.

CHAPTER FOURTEEN

HEAVEN AND HELL

We came to this Earth from God. We will go back to Him. We all have to die in order to go there. Then there will have the final judgment. Then God will decide where He would send us. Whether we will go to Heaven or Hell depends on our present life-style of this earth. We already got an idea about Heaven and Hell. We all want to be in Heaven with God in happiness forever. So we have to know properly what Heaven is and how to go there. We should also know why man goes to hell and how one can follow the path of Jesus avoiding the path of Hell.

What is Heaven

Heaven is God's dwelling place. It is the happiest place. All Saints and a Choir of angels, and holy and pious faithful always surround God in Heaven. They adore God there and live in perpetual happiness. But we cannot say exactly the place where Heaven is. We say, where there is God, there is Heaven. After all we believe that Heaven is far above us, beyond the universe. For the Lord Jesus ascended into Heaven after His resurrection. A cloud carried Him up. He has gone up. We cannot see God directly with our physical eyes here in this earth. But we will see God directly with our own eyes in Heaven. We will enjoy amazing the beauty of God there. We will be the sharer of His reign and glory. And we will take shelter on the bosom of God.

We enjoy much in this world too. We eat good and tasty food, wear good cloths. We enjoy sports, fantastic songs and dance. Sometimes we go for picnic, hear and read funny stories. We enjoy different kinds of dramas and movies on television and theater. We enjoy a lot on Christmas, Easter and other festivals. But comparing the paradise, these earthly joys are very insignificant and worthless. Go to Heaven means to go close to God

and live with Him. God is the giver of everything; He is our protector and savior. When we become one with Him, then we will have no suffering at all. We will not need to weep any more. There exists in Heaven neither anger nor pride, quarrel, fighting, envy, etc. There exists only love and paradise. There is nothing but joy. Heaven is our real dwelling place. God the Father and our savior Jesus Christ dwell in Heaven. Mother Mary, all the saints and the choir of angels are waiting for us.

The Means to go to Heaven

Going to Heaven means to be united with God. We will have to lead better and holy life in order to go to Heaven. We will have to do good works. God put His Words before us for to lead a holy life. If we obey His commandments, and walk towards the path that His Son has shown us, only then, we can lead holy life. Jesus Christ the Son of God is our way truth and life. He has put beatitudes before us. He showed the example of love and forgiveness. Through His teaching, He told us to

The Door of Heaven

serve others. We can do good works by giving food to the hungry, water to the thirsty, cloths to the naked, taking care of the sick and visit the prisoner. These are the expression of our love towards God and Men. Lord Jesus established a Church after coming to this earth. He is present

to this Church by His Spirit. He has given authority to the leaders of the Church to lead Her followers. So by obeying the guidance of the Church and by receiving the sacraments properly we can strive to holiness. Under the leading of the Church, we have to be first good persons. Then, we will have to be good Christians. Then we will be leading our lives depending on God.

Hell and Causes to go to Hell

Hell is the place for the accursed. Those who did not express their love and service to Jesus by loving and serving men will go to hell. Jesus said, hell is such a place where fire is unquenchable. According to Jesus, it is better to lose any organ than to be thrown into the hell with all organs of the body. Those who die in the state of grave sin; they go to hell just after their death. There they receive punishment of hell, that is, burning in the

The Fire of hell

fire which never extinguishes. To keep oneself separated from God and Men means to live in hell. There are some men who willingly and knowingly leave the path of love and choose the path of hatred. They keep themselves separated from others. They live that way until their death. These people live in the state of grave sin. They are the men who go to hell. God never predetermined any one to go to hell. We have to use our freedom properly and do duty truly to be able to go to the Final goal. Those who do not do it, go to hell.

To Follow the Path Jesus has shown

Anyone who receives God's mercy by converting his life will be able to go to Heaven. Jesus says, "Enter through the narrow gate; for the gate is wide and the road easy that leads to destruction, and many who take it. For the gate is narrow and the road is hard that leads to life, and there are few who find it" (Mt.7:13-14).

Our Church teaching is that we don't know the hour of death. So we should obey the teaching of Jesus Christ. We have to be aware always. For when our earthly lives come to an end, then we can be worthy to be in the bosom of God. We may not be thrown into the hell like that wicked and lazy servant described in Bible. Because, if we go to hell, we will have to be on fire always. God will not rescue us even if we cry there. We should rather use our virtues to serve God and men. Then the master will praise us and will allow us to go to Heaven.

What we have learned

Heaven is the dwelling place of God and the hell is the dwelling place for the accursed. Those who love and serve God and men will go to Heaven. Those who denounce to love and serve God and men willingly and stay in the state of hatred, will go to hell. Those who die in grave sinful condition would go to hell. But one who converts himself from sin can go to Heaven.

CHAPTER FIFTEEN

THE CHRISTIAN CREED

The Christian creed was formed in the light of the Bible. These are the basic things of our religious faith. These things have been organized all together in precise and in an orderly way. These we believe and determined to obey because these are obligatory for us to believe and practice. This creed is an important prayer and the profession of faith of the Church. The Christian creed is: I believe in God the Father, Almighty, Maker of heaven and earth: And in Jesus Christ, his only begotten Son, our Lord: Who was conceived by the Holy Spirit, born of the Virgin Mary: Suffered under Pontius Pilate; was crucified, died and was buried: He descended into hell: The third day he rose again from the dead: He ascended into heaven, and sits at the right hand of God the Father Almighty: From thence he shall come to judge the living and the dead: I believe in the Holy Spirit: I believe in the holy Catholic Church: the communion of saints: The forgiveness of sins: The resurrection of the body: And the life everlasting. Amen.

The explanation of the Creed

We have already memorized our Creed. But we do not know the meanings. This is why, in this chapter, we will know about different parts of the Creed.

Profession of Faith with lighted candle at hand

1. "I believe in God the Father, Almighty, Maker of heaven and earth."

In the beginning of creation, God created the earth and sky. He created everything visible and invisible, man, universe, and all the animals that exist. God is "omnipotent", nothing is impossible for Him.

2. "Jesus Christ was conceived by the Holy Spirit, born of the Virgin Mary."

The Son of God became man for the humankind, for our salvation. "We are sinners", He became man so that we may be reconciled with God. The Son of God took the human "flesh and blood" for our salvation. To believe in this, is such a characteristic of Christian faith which we find nowhere else.

3. "Suffered under Pontius Pilate; was crucified, died and was buried."

Jesus accepted the death on the cross in order to carry the weight of all our sins. Jesus Christ died on the cross. His body was buried into the tomb. But by the power of God, it did not extinct.

4. "He descended into hell. The third day he rose again from the dead."

All the pious who died before the coming of Christ were waiting for the savior in hell. Our Lord Jesus Christ first overcame the power of evil. Then descending into hell, He rescued the pious who were waiting there. He also opened the door of Heaven for them.

Jesus was resurrected three days after His death, which means, that, he rose to life from death. Some women first saw Jesus and gave evidence. Then Jesus appeared to Peter and then to all other apostles. Jesus' resurrection proved that He is God and all His teachings and doings are true.

5. "He ascended into heaven, and sits at the right hand of God the Father Almighty."

Jesus' position at the right hand of the Father means that, He had fulfilled every will of God. He brought salvation for all human kind. He overcame death. Father had glorified Him. He is now the Lord of Heaven and earth. He is the Lord of the whole universe.

6. "From thence He shall come to judge the living and the dead."

Jesus Christ had received an authority from the Father. With this

authority, He worked for the salvation of all humankind. He became the king of Heaven and Earth after rising from the dead. With this authority, He will come to judge all humankind on the last day of the world.

7. "I believe in the Holy Spirit."

Saying these words, the Church acknowledges that the Holy Spirit is the third Person of the Holy Trinity. He proceeds from the Father and the Son. He is equal to the Father and the Son. He is worthy to be adored and worshipped. God has sent that Holy Spirit of His Son into our hearts.

8. "Holy Catholic Church"

The Church is the community of those people whom God gathers by calling them from all corners of the world so that they may have faith in Christ and receive baptism. Thus, they may become the children of God and the parts of the body of Christ. That they may become the temple of the Holy Spirit.

9. "The communion of saints"

The communion of saints is that all the members of the Church are sharers of all the Sacred things. They become the sharers of faith, Eucharist and other spiritual gifts. That kind of love which will have no selfishness, covetousness or lust.

10. "I believe in the forgiveness of sins"

Christ Himself gave the responsibility and authority to the Church to forgive sins. He said to His disciples, "Receive the Holy Spirit. If you forgive the sins of any, they are forgiven them; if you retain the sins of any, they are retained."

11. "I believe in the resurrection of the body"

Christ will restore us to life on the last day. Those who have led holy life and done good works will receive new life. Those who have done bad works will receive the punishment of their sins.

12. "I believe in the life everlasting"

Everlasting Life means a life which begins after death. That life is infinite. Before that everyone has to stand for his personal judgment

before Christ, the judge of the living and the dead. His everlasting dwelling place will be fated there.

13. "Amen"

The word "Amen" means let it be done or truly yes. By saying amen at the end of the prayer, we acknowledge that what say in prayer, we say it consciously as true from the depth of the heart.

To remain steady in faith, say the following prayer

Our Father in Heaven, gives upon us the light of your Holy Spirit. That we may always keep faith on you. Forgive the weaknesses of our faith in you and make us firm in faith. For, we may never be weak in faith on you. For, we may never forget to pray to You. Give us such an inspiration so that we may always love You and our neighbors. For, we may express our love through our good deeds. Amen.

What we have learned

The Christian creed is the basic things of our faith derived from the Holy Bible. These we believe and determined to obey. This Creed is an important prayer of the Church. The real identity of the Christians is found through this Creed.

Let us sing (Any song on faith)

1. All men must be born again to see the kingdom of God;
The water and the spirit bring new life in God's love.
2. God gave up his only Son out of love for the world;
So that all those who believe in Him will live forever.
3. The light of God has come to us, So that we might have salvation
From the darkness of our sins we walk, into glory with Christ Jesus

CHAPTER SIXTEEN

FLOOD AND DROUGHT

In the beginning of the creation, God gave man authority to govern on everything; that is to take care and look after everything. But in reality, we see that man is not doing his duty properly. He is not looking after the creation rather destroying it. For this reason, every year our country is also facing many kinds of natural calamities like other countries in the world. This country is facing different kinds of natural calamities such as flood, drought, storm, cyclone, earthquake, devastating epidemic etc. in every year. Among these flood and drought are very serious.

Causes of Flood

- a) A situation created by overflowing the two sides of the river bank because of the sudden pressure of increased water is called flood. In the city, because of heavy rainfall many times the water cannot pass through the sewerage line easily which causes the roads sink under the water. This is also a kind of flood. Many times city flood is temporal. But sometimes city flood can be prolonged. For example, floods in 1988 and 1998 flooded many areas of Dhaka city for about a month.
- b) The hilly areas of India are very close to the plain land of our country. All water comes to the plain land in Bangladesh, if it is over rainfall there. As a result, Bangladesh gets flooded. Our country too, can be flooded if there is heavy rainfall .
- c) The population of our country is increasing rapidly. But the amount of land is not increasing. The low land is being covered due to inadequate shelter in plain land for these over population. As a result, flood occurs.
- d) There are many rivers in this riverine country. But the rivers are being covered because of throwing wastes into the river and the storing of the thick layer of the sands. But almost every year, there is flood in this country because of having no system of excavating our rivers.
- e) Besides these, because of the influence of the monsoon, melting water of the Himalayas, deforestation or cutting trees illegally, making dam by stopping the normal passage of water flow, changing the passage of water

flow, and establishing industrial mills and factories by filling up the small rivers and canals, there is flood every year.

f) The temperature of the world increases because of the gas created from the factories, vehicles, and the fire of different places. As a result, in Greenland and Iceland along with different places of the world, the frozen ice of thousand years is melting into water and falling into the sea. Thus the height of the sea water is increased and many places of the southern part of Bangladesh are going under the water.

Flood affected people

The Effects of Flood

The effects of flood are as follows: People cannot work. Many do not have food in their house. Many houses are flooded. The crops of the farmers are damaged in prolonged flooded. Domestic animals die. Extreme scarcity of food occurs. There occurs scarcity of pure water. Many water borne diseases

(Cholera, Diarrhea, dysentery) break out seriously. It increases unemployment problem. It spoils the necessary and valuable things. As a result, the price of the daily commodities goes high. The severe scarcity of basic human needs (food, clothing, shelter, education and treatment) takes place. The dwelling places become unfit to live in. Even, many people die too.

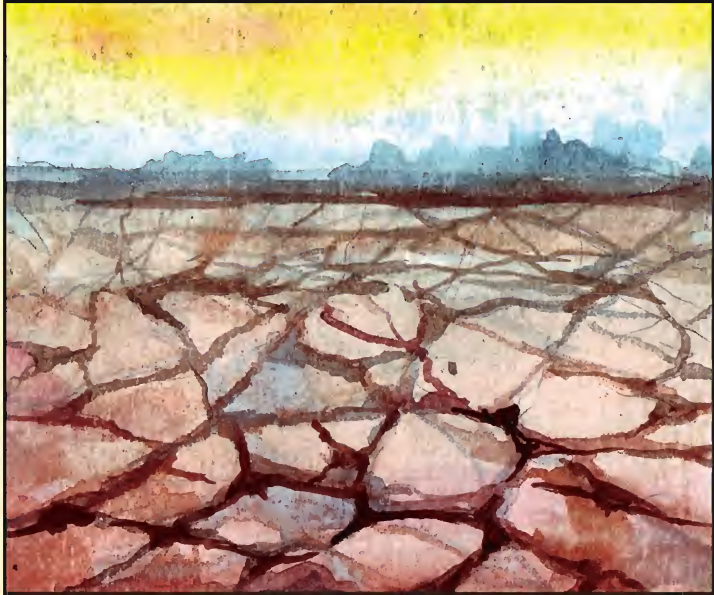

The Cause of Drought

A situation created by prolonged dry weather and inadequate rainfall is called drought. For many reasons, drought is caused in our country. Drought is occurred if there is dry weather more than the rainfall. Scarcity of water and drought occurs if the rivers and canals are dried up.

The balance of the ecological system is hampered because of the deforestation or cutting trees. As a result, the amount of rainfall is decreased and the drought takes place. The rivers of our country are dried up because of establishing big industries by filling up the small rivers and canals and because of decreasing the navigability of the rivers. As a result drought takes place in the country.

The Effects of Drought

The effects of drought are very severe in our country. Severe dry weather and the heat of the sun are felt because of drought in the country. Many diseases and germs spread out because of it. The cultivated and non-cultivated land of our country is dried up. There is no fertility on those lands. As a result, crops are not produced

Extremely Dried land for prolong drought

too. The wells, canals and rivers are dried up. There is the lack of human and animal food. Dust Storm takes place. People get much exhausted in manual work.

Our Duties in Flood and Drought

1. To arrange a seminar to make people aware about our duties to take care and look after everything that God has given to us.
2. To find out the means and ways and to take proper steps by arranging awareness building seminars about how to protect the nature from devastation.

3. Participation of the people, who do not face flood and drought, in relief work for the people who are affected by the flood and drought. To participate in the relief work by collecting money, food, clothes, and bamboo for repairing house.
